# BENEFITS OF SUPPORTING CELEBRATE THE CHILDREN AND THE BOYS & GIRLS CLUBS OF VOLUSIA/FLAGLER COUNTIES

## YOUR IMPACTING CHILDREN EVERYDAY IN EVERYWAY

### Character & Leadership

These programs help youth become responsible, caring citizens and acquire skills to participate in the democratic process. Program participants also develop leadership skills and gain opportunities for planning, decision-making, contributing to Club and community and celebrating our national heritage.

### Education

These programs are designed to ensure that all Club members graduate from high school on time, ready for a post-secondary education and a 21st-century career.

### Health and Wellness

These programs develop young people's capacity to engage in positive behaviors to nurture their well-being, set personal goals and grow into self-sufficient adults.

### Sports and Recreation

These Club programs help develop physical fitness, reduce stress and promote a positive use of leisure time, appreciation for the environment and interpersonal skills.

### The Arts

Giving Kids a Voice through the Arts. These programs are designed to foster creativity in young people and give them outlets for self-expression. From photography to hip-hop, our arts programs have something that will inspire everyone.

### Workforce Readiness

To help young people meet the workforce challenges of tomorrow, they need safe spaces, positive mentorship, and work experiences today. At Boys & Girls Clubs, we allow kids and teens to:

- Explore their interests and passions
- Develop their employability skills
- Apply their knowledge to real-world work experiences

### What We Do?

We never take a single approach to help kids succeed. It takes caring mentors, such as our trained Club staff. It takes a safe place, like our Clubs, that are consistently there for kids they serve. It takes innovative, quality programs designed to empower youth to excel in school and lead healthy productive lives. We do whatever it takes to ensure all kids have a great future.
